# Bursary Scheme

The Maples Group bursary scheme in Jersey is intended to provide opportunities for appropriately qualified residents of the Channel Islands who are considering a career in law.

## Overview

The Maples Group bursary scheme in Jersey has been carefully crafted to grant bursary students the best possible experience and ongoing support. We make every effort to ensure that you will work with a number of members of the team and be exposed to an interesting and diverse range of work. In selecting bursary students, we are looking for proactive individuals who have a willingness to be part of our team and demonstrate an eagerness to learn more about law and in developing their career. The following is available to qualified candidates:

- A financial contribution towards your studies.
- An annual structured work experience placement with a number of scheduled activities and outcomes for each student.
- Ongoing support from key members of the team while completing your studies.
- The opportunity to visit our global offices as part of your work placement allowing you to experience the significant global footprint of the Maples Group.

## Application and Eligibility

Applications for our bursary scheme are considered annually and open on 3 September. We encourage applications from Channel Islands residents considering a career in law who are either:

- 'A' level students in their final year of school and applying for university; or
- attending university.

We expect university students on the bursary scheme and applying for the bursary scheme to be obtaining a 2:1 classification of degree or above. Students who have obtained bursaries from other law firms will not be eligible.

Applicants are invited to submit their CV with a covering email by 31 December 2020 to [legalcareers@maples.com](mailto:legalcareers@maples.com).
