John specialises in structured finance, investment funds and corporate and commercial transactions, with an emphasis on catastrophe bond transactions and other insurance-linked securities, CLO transactions, fund financings, structured debt and repackagings.

Background

John joined the Maples Group in 2001. He previously practised with Clifford Chance in London, where he completed a secondment to the fixed income desk at Lehman Brothers. Before that, he practised with Lang Michener (now McMillan) in Canada. John has been recommended for insurance and reinsurance by *Who's Who Legal* and noted in Chambers Global and *Legal 500* for catastrophe bond transactions.
