Anna works in the Regulatory & Financial Services group on a wide variety of regulatory issues, including licensing, risk management, information disclosure and anti-money laundering matters. She has a broad range of regulatory experience in prudential, corporate, funds management and payment services regulation.

Anna has recently completed her Masters of Law at the London School of Economics and Political Science with a thesis on the regulation of cryptocurrencies and has co-authored articles on 'Reg Tech', cryptocurrencies and mobile payments.

Background

Anna joined the Maples Group in 2018 and previously worked as a solicitor in the financial services and corporate teams at DLA Piper New Zealand, and prior to that was a solicitor at Buddle Findlay.
