Emma heads the Global Registration Services team within the Funds & Investment Management team in the Dublin office. She has particular expertise in the global distribution activities of UCITS and AIFs (private or public) in foreign markets, including Europe, Asia Pacific, the Americas and the Middle East. Emma regularly advises promoters, fund managers and investment banks which operate UCITS, ETFs and AIFs on the initial registration process together with ongoing compliance, maintenance and filing requirements to ensure compliance with all relevant local regulatory and where relevant, exchange obligations.

## Background

Emma joined the Maples Group in 2008. She previously worked for a large Irish corporate law firm.
