[Entity Formation & Management Services](#)

+1 345 814 5886

Luella is responsible for managing the Maples Group's global entity services mandates, including client onboarding, designing and implementing client specific protocols, and working with a team of professionals across multiple jurisdictions to ensure delivery of all client requirements. She brings over 15 years' experience in a legal and fiduciary services environment.

## Background

Previously, Luella worked in the project management office at Walkers and within the global management team at Appleby, specialising in business support and technology, including successful global systems implementations and integrations. Prior to this, Luella began her career at the University of Manitoba which included several support positions, and also held a management role at St. Paul's College.

## EDUCATION

University of Manitoba, Canada, Certificate, Management, 1996.
