For the purpose of this sample PDF, mandatory fields are marked with an * Whereas fields marked with (*) are only mandatory in certain cases. When the form is available on the DITC Portal mandatory fields will automatically display as the form is completed.

The International Tax Co-Operation (Economic Substance) Law ("ES Law") requires every entity ("Entity") that is carrying on a relevant activity and which is claiming to be tax resident in a jurisdiction outside of the Islands in respect of that relevant activity to notify the Tax Information Authority ("Authority") of certain information, on an annual basis, in accordance with section 7(1).

Each such Entity must prepare and submit to the Authority a completed version of this form ("form") along with documents to substantiate the claim (via the upload feature appearing later in this form).

Please refer to the <u>'Economic Substance For Geographically Mobile Activities Guidance'</u> issued by the Authority for information about the economic substance requirements.

Please refer to DITC Portal User Guide for further information on this form.

Once the Entity name is selected from the drop down list and the 'Validate Information' button is pressed, this form will pre-populate with certain information for the Entity.

If change to Entity name is required, this will need to be done through the General Registry.
