

Funds & Investment Management

British Virgin Islands | Legal Services

A leading global funds jurisdiction, the British Virgin Islands ("BVI") has a longstanding reputation for domiciling investment funds, with continued growth in the market.

Our BVI Funds & Investment Management group is one of the longest established, dedicated funds practices in the territory. We act for some of the largest international institutions, advising on all developments in BVI law and regulation relevant to investment funds.

We are able to provide BVI legal advice from our offices in the BVI, Dubai, Hong Kong, London and Singapore. Our global network ensures that you have access to expert advice and bespoke support within time zones convenient to you.

Industry Leaders

As well as being consistently ranked by leading directories and independent research, we are part of the jurisdictional industry groups providing educational updates on best practice in the BVI. We meet frequently with the regulators to advocate for our clients, discussing service issues, evolution in regulatory policies and procedures and any other areas that may arise.

Full Spectrum of Products

We provide specialist legal advice to multi-nationals and institutional investment firms, leading fund managers and asset managers.

We regularly advise our clients on:

- Approved funds
- Approved investment managers
- Licensed investment managers
- Private funds
- Private investment funds
- Professional funds
- Public funds

Global Presence

Working alongside our offices in other key financial markets, we have an unrivalled view of the global funds and investment management market and can leverage this unique perspective for your benefit. Our multi-jurisdictional capability not only allows us to provide unbiased advice when guiding clients to the most appropriate domicile in which to structure your fund or establish an investment manager, but also gives our clients the advantage of working with a single team capable of advising on a variety of cross-border structures and transactions.

In addition, our legal services are complemented by other specialists in the Maples Group that cover fiduciary services, fund services, regulatory and compliance services and entity formation and management services.

"They know a lot about BVI legislation and procedure, and are very clear, straightforward and fast in their advice."
