THE MAPLES GROUP IN EUROPE

The Maples Group brings in-depth knowledge of a wide range of investment vehicles and structures, including regulatory and investor requirements, across an extensive global network. A robust institutional-grade infrastructure coupled with a highly responsive approach to client service ensures vehicles we act on are comprehensively supported in navigating the complexities of today's global business landscape.

With lawyers and industry professionals strategically located in the Americas, Asia, Europe and the Middle East, the Maples Group ensures that you gain immediate access to expert advice and bespoke support, in time zones that are convenient to your needs.

The Maples Group is an established service provider in Europe with full service offices in Ireland, Jersey, Luxembourg, the Netherlands and the UK.

Building on the Maples Group's established global reputation, our presence in Europe allows us to continue to meet both the local as well as the complex and multi-jurisdictional needs of our clients. We provide a seamless delivery of accounting, tax and agency services, fiduciary, corporate administration, regulatory and compliance services to create a best-of-breed solution for complex structures. This integrated offering allows us to ensure that any bespoke arrangements warranted by transactions are both correctly structured and professionally managed throughout the lifetime of the entities.

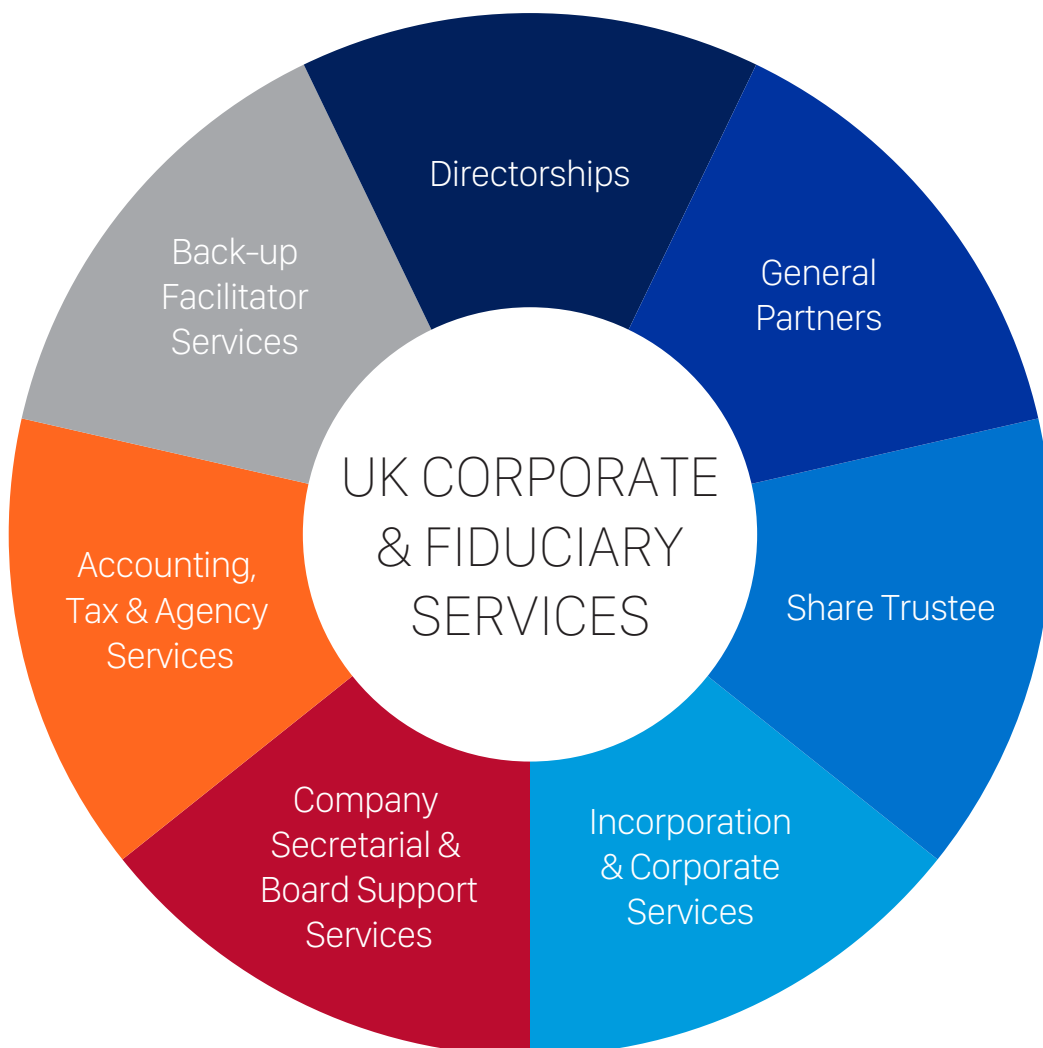

We are committed to providing competitive market pricing, while still maintaining the service level excellence that is inherent to the Maples Group brand. While our global footprint and extensive investment in technology allows you to enjoy the breadth and scope of capabilities expected from a large institutional provider, our client service model allows you to experience the personal attention typically afforded by boutique providers.

We combine the expertise of our global network of offices to provide multijurisdictional solutions for our clients from a core senior team of highly skilled professionals based in Europe. We have the depth to focus on relevant legal and regulatory requirements and the integrity to ensure adherence to the highest standards of corporate governance.

UK CORPORATE & FIDUCIARY SERVICES

Our UK corporate and fiduciary services business is based in London and has extensive experience in ABS, RMBS, CMBS and covered bond programmes as well as other bespoke UK SPV solutions. The team administers a book of public and private transactions, including ABS, RMBS, credit card, auto and personal loan warehousing facilities.

Our London office can provide:

SAM ELLIS
Senior Vice President
Head of Fiduciary Services – London

sam.ellis@maples.com

Sam Ellis has extensive financial services experience across structured finance, alternative investment funds, capital markets and investment banking. Sam leads the Maples Group's UK corporate and fiduciary services business in London. He is also an experienced independent director, having served on the boards of a wide range of alternative investment vehicles, including hedge funds, private equity funds and structured finance vehicles across a variety of jurisdictions and strategies since 2011 and brings deep financial services expertise and knowledge from various strategies, regions and structures.

Prior to joining the Maples Group in 2011, he worked in corporate finance and investment banking at Macquarie Capital in London and in Melbourne. During his time at Macquarie, Sam worked on equity capital markets and merger and acquisition transactions across a variety of sectors and regions, including working with Macquarie's investment funds. Prior to that, he worked in the antitrust, competition and trade group at Freshfields Bruckhaus Deringer in Brussels.

CHARLES LEAHY
Senior Vice President

charles.leahy@maples.com

Charles has over 15 years' securitisation experience, having worked in treasury capital markets, trust and agency and corporate services.

Charles previously worked at Law Debenture as a Senior Transaction Manager, where he was responsible for negotiating new structured finance transactions and restructurings and acting as an SPV director. Charles also spent six years working at The Bank of New York Mellon, London as a Senior Relationship Manager in Corporate Trust. Charles' securitisation experience started at St. George Bank, Sydney in capital markets, group treasury. At the time, St. George was the largest Australian balance sheet RMBS issuer.

Charles has worked with UK high street banks, private equity firms and hedge funds, as well as small to mid-sized UK originators. His product experience includes ABS, MBS, warehouses, whole-of-business securitisations, LPNs, DPRs and cat bonds.

EMMA TIGHE
Vice President

emma.tighe@maples.com

Emma is a highly experienced financial services professional, specialising in structured finance. She has over fourteen years' experience in the industry, with a strong focus on securitisation transactions across the capital markets. Emma is well versed in the effective functioning of boards of directors, including robust corporate governance and the effective management of relationships. She has a strong interest in the evolving importance of ESG and is keen to explore how structured finance and CLO structures can enhance the development of environmentally sustainable finance.

Prior to joining the Maples Group, Emma worked at U.S. Bank as a Relationship Manager within the CLO team, where she was responsible for managing client relationships and performing transaction management across a portfolio of CLO structures where the bank was providing services, including collateral administration, paying agent, account bank and bond trustee services. Emma also worked with a major corporate services provider as a Senior Client Service Manager, where she was responsible for transaction management across a portfolio of structured finance SPVs, including RMBS, CMBS, social housing bonds, student loans and aviation leasing. Emma also spent several years working within the structured finance teams in corporate trust at BNY Mellon and Deutsche Bank. She holds a Bachelor of Arts degree with honours in Philosophy from the University of Liverpool.

ABOUT THE MAPLES GROUP

The Maples Group provides clients with comprehensive legal, fiduciary, fund, regulatory and compliance and entity formation and management services.

Our offering is distinguished by the highest quality of work, an innovative approach and a commitment to tailored client service, combined with a long-standing core value of working together with clients as a team.

As one of the largest global corporate and fiduciary service providers, our unparalleled experience in the provision of structured finance, insurance management and fund administration services, as well as a disciplined approach to corporate governance, has given us a unique perspective on the securitisation, asset finance, global investment funds and insurance markets.
