

Funds and Investment Management

Overview of Services | Asia

The Maples Group, through its leading international law firm, Maples and Calder, advises global financial, institutional, business and private clients on the laws of the British Virgin Islands, the Cayman Islands, Ireland, Jersey and Luxembourg. With nearly 30 years on-the-ground experience in Asia, the Maples Group remains committed to providing clients with comprehensive legal, fiduciary, fund, regulatory and compliance, entity formation and management services.

With offices in key jurisdictions around the world, the Maples Group has specific strengths in areas of corporate, commercial, finance, investment funds, litigation and trusts. Maintaining relationships with leading legal counsel, the Group leverages this local expertise to deliver an integrated service offering for global business initiatives. Our global network of over 2,500 lawyers and industry professionals are strategically located in key financial centres across the Americas, Asia, Europe and the Middle East to ensure that clients gain immediate access to expert advice and bespoke support, within convenient time zones.

The Maples Group has had a presence in Hong Kong since 1995. Our Singapore office was established in 2021.

We offer legal, fund administration and fiduciary services to clients based in or doing business across the Asia Pacific region.

Many of our professionals are proficient in Mandarin, Cantonese and Korean.

Our Funds & Investment Management Expertise

Maples and Calder, the Maples Group's law firm, has the largest Cayman Islands, British Virgin Islands and Irish practising Funds & Investment Management team in Asia with a unique offering of native Cantonese, Mandarin and Korean speaking lawyers. We provide expert advice and world-class service in setting up, managing and investing across a broad range of fund structures and management entities under the Cayman Islands, BVI and Irish laws.

Hedge Funds

We work with you to establish hedge funds as companies, limited partnerships or, particularly for the Japanese market, unit trusts. We advise on legal structure and other formation issues including:

- Multi-class / series funds
- Master / feeder funds
- Side pockets

We also advise clients who utilise wide variety of investment strategies including traditional market neutral funds and other sector specific objectives such as:

- Derivatives and futures
- Event driven
- Fixed income
- Convertibles
- Funds of funds

Private Equity

We have been a leading adviser to the private equity industry for many years and our Private Equity teams advising on British Virgin Islands, Cayman Islands, Irish, Jersey and Luxembourg law work alongside international counsel on the formation, structuring and financing of private equity funds. In addition, we advise on all types of private equity transactions from growth and venture investing, management and leveraged buyouts, take privates, secondary buyouts and exits by way of trade sale or IPO. We are uniquely placed to facilitate downstream fund investments, providing specialised fiduciary and administration services to closed-ended funds and their managers from key global financial centres.

Distressed Funds

Our Dispute Resolution & Insolvency and Funds & Investment Management lawyers work collaboratively to:

- Advise funds and their directors on winding down or restructuring funds' affairs
- Act for funds and service providers on NAV mispricing cases, audit negligence disputes, and claims against directors
- Advise on disputes between funds and investors on subscription terms and the interpretation of side letters
- Act for leverage providers and counter-parties to distressed funds
- Assist creditors, investors, liquidators, and service providers in contentious liquidations and parallel foreign bankruptcy and regulatory proceedings.
