Hedge Funds

We work with you to establish hedge funds as companies, limited partnerships or, particularly for the Japanese market, unit trusts. We advise on legal structure and other formation issues including:

- Multi-class / series funds
- Master / feeder funds
- Side pockets

We also advise clients who utilise wide variety of investment strategies including traditional market neutral funds and other sector specific objectives such as:

- Derivatives and futures
- Event driven
- Fixed income
- Convertibles
- Funds of funds

Private Equity and Venture Capital

We have been a leading adviser in the closed-ended funds space including the private equity and venture capital industry for many years with extensive experience in the formation, structuring and financing of such funds. In addition, we advise on all types of upstream and downstream transactions from carry vehicles to growth and venture investing,

management and leveraged buyouts, take privates and exits by way of trade sale, GP or LP led secondaries or IPO. We are uniquely placed to facilitate downstream fund investments, providing specialised fiduciary and administration services to closed-ended funds and their managers from key global financial centres.

Distressed Funds

Our Dispute Resolution & Insolvency and Funds & Investment Management lawyers work collaboratively to:

- Advise funds and their directors on winding down or restructuring funds' affairs
- Act for funds and service providers on NAV mispricing cases, audit negligence disputes, and claims against directors
- Advise on disputes between funds and investors on subscription terms and the interpretation of side letters
- Act for leverage providers and counter-parties to distressed funds
- Assist creditors, investors, liquidators, and service providers in contentious liquidations and parallel foreign bankruptcy and regulatory proceedings.
