

LIONEL PHILLIPS-FRANJOU

Director and Head

Citigroup First Investment Management Limited

Mr. Phillips-Franjou is the APAC Head of Complex Structuring at Citi, within Citi's Multi Asset Group and the Head of Citigroup First Investment Management Ltd (CFIML). Prior to taking up his current role, Mr. Phillips-Franjou has worked for over 18 years in asset management and financial services. Mr. Phillips-Franjou started his career at Societe Generale as a structurer in 2006, focusing on Lyxor Asset Management's products in APAC, before becoming Head of Product Development for Lyxor ETFs and Lyxor ETFs until 2011. Following his mandate at Lyxor, Mr. Franjou became Head of Structuring for Societe Generale's Global Equity Flow until 2015, before taking up his role as Head of Structuring for Exchange Traded products and Delta One solutions in EMEA until 2018 and then Head of Cross Structuring Group for APAC ex Japan until 2022 within Societe Generale's Global Markets division.
